The illustration shows two scenes of communication. On the left, a woman with dark hair tied back is sitting on a small wooden stool, facing a young boy in a green shirt and blue shorts. She appears to be listening intently. On the right, a man in a brown shirt and blue pants is standing and talking to a young girl in a red top and pink skirt. He has his hand near her, suggesting a supportive or guiding interaction. The background is a simple white space with a yellow and blue wash behind the figures.
